

Roads & Vehicle Policy

1. All roads in Nocona hills have a 25-mph speed limit unless otherwise posted.
 - A. There is no passing on any roadway at any time.
 - B. There is no area inside Nocona hills that may be used for off road riding, mudding or hill climbing. Specifically Nocona Hills parks & campground are on road only.
 - C. All vehicles, motorcycles, side-by sides, atv's and golf carts must observe all traffic rules.
 - D. Excessive acceleration and marking up roadways is not allowed.
 - E. Always watch in all areas for slow moving vehicles, golf carts, pedestrians, deer and pets.

2. All automobiles must have proof of insurance to be driven by residents on Nocona Hills roadways.
 - A. All guests may be asked for proof of insurance and valid driver's license and all occupants of guest vehicle may be required to provide proof of identification before entry into Nocona hills by gate attendants. Anyone over the age of 18 in Texas is required to carry identification at all times (failure to id) may result in entire guest vehicle to be denied entry.
 - B. **Only members in good standing will be issued window decals for quick entry**, all other owner/residents will be required to stop and give gate attendant name and lot number (but not limited to) to gain entry. Decals are for gate attendant to get members in good standing in with quick entry and are not a right of ownership or occupancy.

- C. Decals will be changed every year/ with the year on decal, color of decals will change every year for security, all residents are responsible for removal and returned to gate supervisor/ gate of decal of any vehicle that is traded-in, sold or repossessed before a new vehicle decal will be issued. New vehicles /without trade-in, a new info sheet with new vehicle info is required for member in good standing decal will be issued.
- D. Decals will only be issued with the homeowners dues being paid in full for that year. New purchased vehicles must have info sheet with vehicle info and copy of insurance completed and given to gate supervisor to obtain a decal.
